## **Why Do We Charge a Fee for No Call, No Show, and Late Cancelled Appointments?**

Please honor appointment times. This is how our therapists are able to maintain their obligations to self and their families. If a client does not honor their scheduled appointment time with their therapist, the therapist is not compensated for that hour, making no shows an expense for our providers. Insurance / EAP will not cover a late-cancelled or no-show *appointment. These must be paid out of pocket by the client.*
